

Section 401 Water Quality Certification Public Notices

The Central Coast Water Board is currently reviewing applications for the following project for certification under Section 401 of the Clean Water Act. We encourage public comments on the proposed work, which will be considered in the decision. You may submit comments in writing on any of these projects to:

Central Coast Regional Water Quality Control Board
895 Aerovista Place, Suite 101
San Luis Obispo, CA 93401
Attention: 401 Coordinator

Project Applicant	Col. Kevin W. Brown – California Army National Guard
Applicant's Agent	Dave Romero – Barajas & Associates, Inc.
Project Name	Canyon Road Erosion Remediation
Receiving Water	Unnamed ephemeral drainage to an unknown waterbody
City/County	Camp Roberts/San Luis Obispo County
Public Notice	11/7/08 to 11/27/08
Project Description	<p>The purpose of this project is to repair a damaged drainage structure and stabilize an eroded bank that is threatening the integrity of Canyon Road.</p> <p>The project activities include: recontouring an approximately 100-foot long by 75-foot wide by 10-foot high isthmus of land so that it stabilizes a 290-foot long section of the failing eastern bank of the drainage. The rock drainage structure will be reconfigured to have an approximately four-foot wide base and four-foot side benches at a 2:1 slope. Existing concrete debris will be removed from the drainage.</p> <p>No mitigations were proposed for this project.</p> <p>A Categorical Exemption was filed for this project.</p>
